0% Interest installment offers terms and conditions

1. FABMISR credit cardholders can convert all eligible purchase transactions made at the merchants listed on the Credit Card Offers page into instalment plans at the original cash price, with 0% interest and no administrative fees
2. The available installment plans for each merchant and campaign's duration are specified on the page
3. The offer excludes World Business Corporate Credit Cards
4. Refunded, declined, and cash withdrawal transactions are excluded from the offer
5. Credit cardholders must execute their transactions using FABMISR Credit Cards during the promotion period by selecting the installment plan at checkout via the merchant's POS terminals
6. The installment offers shown on the page cannot be combined with points redeemed through FABMISR Rewards program
7. If the installment request is not processed through the POS terminal, or from the merchant's website or mobile application in case of online purchase, the request cannot be fulfilled under this promotion via customer service, and standard installment terms outside the offer will apply
8. For the due date of your first installment, please contact our 24-hour contact center service at 16555
9. The minimum transaction amount eligible for installments is EGP 500
10. The bank reserves the right to exclude any transactions suspected of misuse or commercial behavior
